THE FESTIVAL OF THE YEAR IS HERE! THE LOWCOUNTRY FISH AND GRITS MUSIC FESTIVAL IS COMING OCTOBER 1, 2022. WE LOOK FORWARD TO SEEING YOU FROM 1-6PM AT LOWCOUNTRY CELEBRATION PARK, 90 POPE AVENUE, HILTON HEAD ISLAND, SC.

Watterson Brands presents the Lowcountry Fish and Grits Music Festival, in association with BurnBush Entertainment, Hilton Head MLK Committee for Justice and the Gullah Geechee Heritage Corridor. The festival will bring awareness to the diverse Gullah Geechee culture and its connection to the vast African diaspora. By bringing together international and local musical talent, unique crafts, and indigenous cuisine (not easily accessible outside of the Lowcountry), the festival provides a unique cultural experience.

This is a kid friendly event with access from the festival to the adjacent Adventure Playground and to The Sandbox Children's Museum. There will be live performances by recording artists Latrese Bush, Votte Hall, Gwen Yvette, Angela Bonaparte, Latin percussionist Frankie Quinoñes, and newly added McIntosh County Shouters, spoken word presentations by Louise Cohen, Vascola Stoney and more. Numerous local artisans, food trucks and craft beer will be featured throughout the park.
